

Signs

Coroplast

Durable and waterproof, lightweight Coroplast signs are printed with UV-cured inks for outdoor use. Optional H-Stakes make outdoor installation a snap; grommets also available for easy hanging.

Perfect for yard, parking, real estate, and election signs.

Available Sizes:
6" x 6" to 46" x 36"

Sidewalk Signs

Sidewalk Signs are the perfect, portable, promotional signage for all-weather outdoor use. Made of durable plastic, in three unique and popular sizes, frames pair with two interchangeable 4mm Coroplast inserts.

Signicade® Deluxe
(24"W x 36"H inserts)

Signicade® MDX
(18"W x 24"H inserts)

Quik Sign®
(24"W x 18"H inserts)

Foam Core

3/16" Foam Core signs are typically mounted on an easel for presentations but can also be used for any interior signs, posters, or displays.

Extremely lightweight, Foam Core is comprised of extruded polystyrene foam with clay-coated white paper facers. Foam Core Signs are best for one-time use, but they can last longer with proper care. This product is not waterproof.

Available Sizes:

6" x 6" to 46" x 36"

PVC

Our 3 mm (1/8") PVC Signs are printed on a smooth, bright, white rigid plastic that is lightweight yet very durable and weather resistant.

They are great for both indoor and outdoor use, and have a low-glare, matte appearance. PVC provides excellent print quality, whether viewed from a distance or up close.

Available Sizes:

6" x 6" to 46" x 36"

Gator Board

Gator Board signs are 3/16" thick, stronger, and more durable than Foam Core, but just as lightweight. Composed of extruded polystyrene foam bonded between two layers of wood-fiber veneer, they are printed with UV inks for long-lasting vibrant color.

Suitable for interior and exterior usage, Gator Board is great for exhibits, displays, retail signage, presentations, and much more.

Available Sizes:

12" x 12" to 36" x 36"

Clear Acrylic

Clear Acrylic signs offer clear, glass-like brilliance and translucence in a sign that's much lighter and much more durable than glass.

These 1/4" thick signs have high impact resistance, excellent transparency, and superior durability in all weather conditions.

Available Sizes:

6" x 6" to 46" x 36"

Styrene

Styrene Signs are printed on a 0.015" matte white polyethylene substrate. This semi-rigid material is suitable for both indoor and temporary outdoor signage – and its flexibility makes it the best option for framed, curved installations.

Common uses for Styrene include POP signage, informational and directional signage, store display inserts, tradeshow graphics, and much more.

Available Sizes:

6" x 6" to 48" x 120"

Mounted Canvas Prints

Printed on high-quality 17mil Artist Canvas, then mounted on lightweight and durable stretcher bars for a chic, minimalist effect. Great for business or personal use to display logos, graphics, photographs, and more.

Available Sizes:

11 standard options from 12" x 12" to 36" x 36"

Aluminum Heavy Duty

Aluminum Heavy Duty signs are printed on a sturdy, rust-proof 0.08" aluminum for maximum outdoor or indoor durability. Available in a variety of sizes with round corners, straight corners, or contour cutting; drill holes or standoff hardware optional.

Common uses include parking signs, traffic signs, factory and warehouse notifications, directional signage, and more.

Available Sizes:
6" x 6" to 46" x 36"

Aluminum Dye Sub

Aluminum Dye Sub Signs are printed using dye-sublimation on white gloss 0.045" aluminum panels. This process results in outstanding image clarity and vibrant colors.

Perfect for high-definition photography and display artwork.

Available Sizes:
6" x 6" to 42" x 36"

Aluminum Sandwich Board

Aluminum Sandwich Boards are lightweight, durable signs comprised of two .012" aluminum sheets with a polyethylene core, resulting in a total thickness of 1/8" (3 mm).

Suitable for both indoor or outdoor use, they are produced using UV inks on pre-painted White or Brushed Silver signs, with optional drill holes for easy attachment to posts, fences, or surfaces.

Available Sizes:
6" x 6" to 46" x 36"

Banners & Flags

8oz Mesh

The ideal all-weather outdoor option. Economical and lightweight, they are designed to allow 37% of air flow through – making them ideal for building, stadium, and fence wraps.

Available Sizes:

12" x 12" to 120" x 360"

13oz Scrim Vinyl

Designed for outdoor use, but also suitable for indoors! Printed with UV-cured inks, these banners are waterproof and durable. These work for billboards, building wraps, signs, parades, and much more!

Available Sizes:

12" x 12" to 192" x 1800"

15oz Blockout Vinyl

A versatile option for indoor and outdoor usage. Produced on opaque 15 mil vinyl, a heavyweight durable material that does not allow any sun or light through. Ideal for building, stadium, and fence wrap or great for maximizing indoor advertising.

Available Sizes:

12" x 12" to 69" x 240"

10mil Premium Vinyl

These indoor banners are produced on premium vinyl with a smooth matte finish. Not scuff-resistant or waterproof.

Available Sizes:

12" x 12" to 58" x 120"

9oz Polyester

These lightweight, wrinkle-resistant banners are printed with superior quality dye sublimation equipment for long lasting color. Ideal for trade shows, soft signage, retail, and other interior applications. Optional pole pockets, grommets, or sewn hems.

Available Sizes:

12" x 12" to 110" x 360"

17mil Artist Canvas

Printed on lightweight, high quality canvas using vibrant CMYK colors. Gallery wrap capable, this product is perfect for both mounting and framing, and can be easily rolled into a square tube for safe shipping. Optional pole pockets, grommets, and sewn hems.

Available Sizes:

12" x 12" to 48" x 120"

Flags

All our flags are premium quality, produced on 3 oz polyester, and printed using superior dye sublimation equipment for long-lasting color. Ideal for advertising businesses, events, and trade shows – they can be folded, stored, and assembled with ease. Available with indoor or outdoor hardware.

Teardrop Flags

Available Sizes:

84" / 108" / 132" / 168"

Feather Flags

Available Sizes:

96" / 120" / 144" / 180"

Pole Flags

Available Sizes:

36" x 24" / 60" x 36" / 72" x 48"

Displays & Events

X-Style Collapsible

These versatile and economical stands come with a grommeted banner, and are available on 10mil indoor vinyl or 13 oz outdoor scrim vinyl, with near-photo quality! Banners are easily interchangeable; unit sets up in seconds!

Available Size:

24" x 60"

Standard Retractable

Our Retractable Banner helps showcase products quickly and conveniently with a pull-up POP display. This stand includes a full-color pull-up banner printed on 10mil indoor vinyl, loaded in a sturdy aluminum base. Comes with carrying case.

Available Sizes:

33" x 80" and 47" x 80"

Deluxe Retractable

Deluxe Retractable Banner Stands are a more stylish alternative to our Standard Retractables – a bigger, heavier base with chrome accents, loaded with one or two full-color pull-up banners printed on 10 mil indoor vinyl. Collapsible and portable, with carrying case.

Single-Sided or Double-Sided

Available Size:

33" x 80"

Telescopic Backdrop

Durable and waterproof, with full-color graphics printed on 13oz scrim vinyl, these are ideal for use both indoors and out. Perfect for "step & repeat" brand messaging, event backdrops, trade show signage, and more! Stand poles adjust 5-10 ft horizontal, 3.5-8 ft vertical.

Available Size:

95" x 96"

Fabric Tube Displays

Fabric Tube Displays feature high quality graphics printed individually using dye sublimation on 9 oz Premium Polyester fabric. They are sewn together to create a double-sided display that cannot be missed; printed graphics are interchangeable. Comes with carrying case, making travel and setup a breeze.

Available Sizes:

24" x 90", 36" x 90" and 48" x 90"

Tabletop Displays

Available in a variety of tabletop-friendly sizes, these retractable banners are printed on 10 mil premium indoor vinyl, just like our full size Banner Stands. This product is ideal for pop-up displays at trade shows, university orientations, and indoor events of all kinds.

Available Sizes:

8.25" x 12", 11"x17" and 15.75" x 32"

Table Covers

Table Throws and Runners are printed on premium 9 oz polyester, and produced with superior quality dye sublimation equipment for long lasting color. Fully customizable across the surface, they add a finished look to table displays, trade show booths, and more. Wrinkle-resistant for long lasting usage, dry-cleaning is recommend.

Available Sizes:

Table throws

132" x 90" and 156" x 90"

Table Runners

24"x 84" to 60"x 84"

Event Tents

Event Tents are printed with UV Ink technology on 11 oz water-repellent fabric. Tents include 4 fabric panels and can feature up to 4 different designs (one per side) sewn together and set up on a 10' x 10' aluminum pop-up canopy tent's frame. Perfect for festivals, conventions, trade shows, and more.

Available Size:

120" x 120" x 60"H

Adhesive Graphics

Vinyl Floor Graphics

Printed on 4 mil flexible vinyl with a 6 mil clear over laminate and removable acrylic adhesive. Ideal for interior applications on most dry, clean, and untextured floors.

Available Sizes:

12" x 12" to 52" x 120"

Aluminum Floor Graphics

Produced on a rugged 20 mil aluminum foil material. Printed direct using UV cured inks and designed to withstand harsh conditions, they can be used on textured, rough, or smooth surfaces making these floor graphics suitable for both indoor and outdoor usage.

Available Sizes:

12" x 12" to 51" x 120"

8mil Low Tack Vinyl

Produced with low-tack adhesive backing on 8mil vinyl. These graphics are perfectly suited for smooth, non-textured surfaces such as walls, desks, and glass. Custom cut-out shapes are available.

Available Sizes:

6" x 6" to 52" x 120"

4mil High Tack Vinyl

Printed on the front of white 4 mil vinyl with permanent adhesive backing, then attached to an unscored release liner. This product is incredibly durable and can be used both indoors and outdoors. Removal after application is not recommended.

Available Sizes:

6" x 6" to 58" x 120"

30mil Car Magnets

Printed on 30 mil heavy-duty glossy material ideally suited for vehicles, these can also be used on other metal surfaces as temporary signs.

Available Sizes:

9" x 9" to 24" x 36"

Window Clings

Printed at near-photo quality on glossy vinyl with paper backers that are peeled off prior to application. For 8 mil Clear, material clings front side of print only. For 7 mil White, material clings back side of print only. Ideal for POP signage on glass or other smooth, clean surfaces, and indoor or outdoor use.

Clear

Available Sizes:
6" x 6" to 58" x 120"

White

Available Sizes:
6" x 6" to 52" x 120"

See-Through Window Vinyl

Printed on 6 mil white flexible vinyl front with a clear, removable acrylic adhesive back. The perforated film allows see-through graphics for retail store or flat vehicle windows; open area is approximately 30% (hole size of 1.5 mm). An optional 2 mil optically clear laminate is available for protection against UV radiation, moisture, and abrasion.

Available Sizes:
6" x 6" to 58" x 120"

Opaque Window Graphics

Printed with UV inks on an 8 mil opaque film with a 1mil clear adhesive film, for a total thickness of 9mil. Available as single-sided or double-sided prints; the opaque film offers excellent blockout of the reverse graphics, allowing for two different images to print back-to-back on a single sheet.

Available Sizes:
6" x 6" to 50" x 120"

Large Format Posters

Blockout Posters (12pt C2S)

Blockout Posters are an economical paper option featuring thickness and durability. The 12pt C2S stock is produced by two laminated 6pt coated sheets with a black adhesive middle layer; the semi-gloss surface and block-out center keeps light out, ensuring 100% opacity.

Available Sizes:

12" x 12" to 60" x 120"

9mil Backlit Posters

Backlit Posters are produced on a 9 mil semi-rigid material with a glossy topcoat, for vivid backlit graphics and superior light diffusion. Great for exhibition panels, POP displays, movie posters, transportation signage, and more. Can be used outdoors if placed inside a lightbox that provides UV protectant sheets.

Available Sizes:

12" x 12" to 59" x 120"

8mil PhotoGloss Posters

Photo Gloss Posters are printed on 8mil photo quality glossy stock, a pigment/dye quick-dry material. Ideal for enlarged photos, signs, and artwork. Please note, this product is somewhat delicate, not scuff-resistant or waterproof.

Available Sizes:

12" x 12" to 58" x 120"
